talk to Tiffany. We don't want dancers to not be able to try out because of this expense.

We are not making these mandatory, however, it is **STRONGLY** encouraged that you get them.

We will be doing a Papa Johns fundraiser **all summer long**. Tell the office how many coupons you want. They must be purchased in advanced for \$1. You sell them for \$5. This is a profit of \$4 per card. They give the customer a free small one item pizza and some great coupons. This is an easy fundraiser. You could easily pay for your warm-ups with this.

* Some parents like to start to pay their costume fees in the summer. This gives you four months to pay costumes off. This helps you not have as much due in the fall, when you are paying for your back to school expenses.
