Tiffany. We don't want dancers to not be able to try out because of this expense.

We are not making these mandatory, however, it is STRONGLY encouraged that you get them.

We will be doing a Papa Johns fundraiser **all summer long**. Tell the office how many coupons you want. They must be purchased in advanced for \$1. You sell them for \$5. This is a profit of \$4 per card. They give the customer a free small one item pizza and some great coupons. This is an easy fundraiser. You could easily pay for your warm-ups with this.

**MANDATORY WORKSHOPS:** A lot of class time is being used for choreography instead of technique. Rather than require you to come more hours each week, we are going to have a mandatory workshop to learn the choreography of each competition dance. This way we can spend more time on technique in class. We are giving you these dates up front. **If you can't be to these workshops, please don't audition for a team.** Cost will be \$10 per workshop and is due the month of each workshop. This team's workshops will be **Saturdays, September 10, October 1 and November 5 from 8:00 am to 12:00 pm** in Studio 2.

\* Some parents like to start to pay their costume fees in the summer. This gives you four months to pay costumes off. This helps you not have as much due in the fall, when you are paying for your back to school expenses.
